

Domed Decals

Domed Imprints will not Fade or Wear Off!

Full Color Domed Decals; coated with a clear UV resistant doming solution and available in custom shapes with no die costs. Our domed coating is tough with scratch and scuff resistant properties.

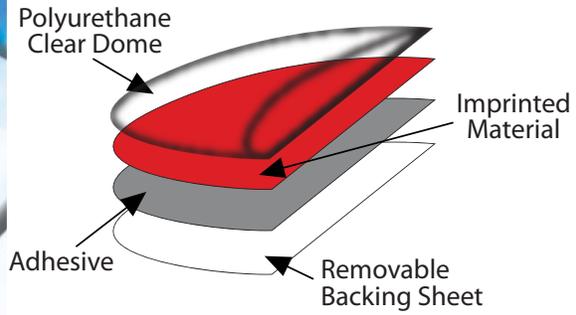

Permanent Adhesive Domed Decals can be used on vehicles and equipment as well as in industrial environments to extreme outdoor applications on plastic, metal or glass surfaces. You can see and feel the difference of our domed coating.

Repositionable Domed Decals provide a unique fashion statement on any appliance, laptop, cell phone, electronic game or musical instrument. Can be applied and removed countless times without leaving an adhesive residue.
